

JEWELLERY DESIGN INTERNSHIP

REF. No. 1101

About us

This cosy studio was founded 11 years ago and aims to draw up custom-made jewellery in a Mediterranean way for clients all over the world. The nice shop is located in the middle of the old quarter in the centre of beautiful Barcelona. Unique, handcraft pieces are not only displayed and sold there but also manufactured in their own studio regarding to the tailor-made ideas of fashion conscious customers.

Tasks

In this exciting and interesting internship, you will:

- on the one hand support the owner with the display and sale of handcrafted jewellery
- advise clients regarding which jewellery matches to their fashion and style
- on the other hand, you will design and produce bracelets, necklaces, earrings
- and prepare custom-made products for clients.
