

# PRAKTIKUM IN LONDON

## JOURNALISM INTERN

REF. No. 870

### About us

Our magazine can be described as a unique English-language showcase for Germany, Switzerland and Austria. It appeals to all those who have a relationship with or a connection to these countries – be it through family, business, tourism, migration or investment.

### Number of employees

20 – 30

### Tasks

- Conducting interviews, mainly in German
- Writing features and advertorials in English on a weekly basis
- Researching companies and brands
- Managing web content and uploads
- Various Ad hoc tasks

### Skills needed

- English skills
- Communication skills
- Willingness to learn

### Skills to be acquired

- Learning more about the various topics the magazine covers
- Improving your written English and journalistic skills overall

### Duration of the internship

We prefer interns to stay for a period of 4 months. However, we are flexible either way – although a minimum length of 3 months is a requirement.
