

## MEDIA INTERN

REF. No. 982

### About us

We create online learning solutions for students and graduates in order to help them secure employment after university and thrive in their chosen careers.

We create MicroLearning modules on 'soft skill' topics such as leadership, communication skills, confidence, resilience etc. These modules are made up of 5-10 minute videos from corporate trainers, senior managers at companies such as Facebook, Disney and LinkedIn.

Modules also advertise jobs for students and provide CPD certification to fully develop their skill set and CV.

### Number of employees

10 in office in both London and Manchester

### Tasks

- Filming interviews
- Filming footage in a green screen studio
- Editing footage into short videos
