

IT SUPPORT TECHNICIAN INTERNSHIP REF. NO. 1264

About us

We make and supply robotic camera systems and camera tracking technology for our clients. We have contributed to the production of many box office blockbusters and award-winning films and TV series.

We also deliver cutting edge innovation and with our patented products are setting trends in the industry.

In our company electronics, mechanical design and software work very closely together in an environment with a “can do” attitude.

So, come and be part of an innovative and agile team that is dedicated to the development of smart and inspired technology that is rapidly changing the future of camera tracking, robotic control and film production.

A competitive benefits and remuneration package based on experience is available for the right candidate.
