

FILM MAKER INTERNSHIP

REF. No. 1125

About us

The organisation, with Woman Clubs and Woman and Man magazines, covers a range of issues across lifestyle, culture, business, networking, health, mind and more. It is building on the momentum of a growing community of shared interests, aspirations and making useful connections. They are aspirational and successful migrant people representing high level positions, CEOs, directors, business owners, artists, doctors, and psychologists, among other.

The purpose of this internship is to provide graphic design support. This is a varied role with a broad remit, which requires an enthusiastic individual who is committed to pursuing a career within the publishing/media and marketing industry.

Number of employees

-

Tasks

- Preparing film and video material, assisting with research to keep us up to date with new editing methods and other progresses within the film industry
- Preparing material for online sites
- Preparing material for social media platforms
- Preparing conference material, such as trailers and film sequences to be used in keynote presentations
- Performing administration tasks and admin support as required
- Possibility of attending industry/marketing events
- For all of the preparation of material as above following is valuable; Knowledge to manipulate and edit film pieces in a way that is invisible to the audience, review shooting script and raw material to create a shot decision list based on scenes' value and contribution to continuity, trim footage segments and ability to put together the sequence of the film, input music, dialogues, graphics and effects, create rough and final cuts, ensure logical sequencing and smooth running.
