

# PRAKTIKUM IN LONDON

## FOOD & BEVERAGE INTERNSHIP

REF. No. 1025

### About us

Our company is a global lifestyle brand offering fresh and socially engaging accommodation platforms and hospitality venues. Our vision is to become the world's leading design-led hostel brand. We aim to achieve this by offering a host of soulful social spaces, cultural events and a creative programme that inspires guests and locals alike, all while providing affordable and safe accommodation in the centre of the city.

BEING YOURSELF is the key to bringing our story and brand to life. We need an exceptional and passionate leader to join our team in London. If you are an inspiring leader and communicator, a people person through and through and have a genuine desire to be part of something big then your journey should start here. Help us to create an unforgettable experience. Be a part of Europe's fastest moving, ground breaking, hostel brand. Join us, be yourself.

### Number of employees

- 50

### Tasks

- Be willing to learn and pitch in when and where needed.
- Be assigned to a department, either Bar, Café or Kitchen, but you may cross over to other outlets temporarily or permanently depending on your skills, ambitions and business requirements.
- Be part of a great team across all food and beverage departments that get Generator and want to be themselves.
- Ensure that the needs of the customers have been met and exceeded at each interaction.
- Respond quickly and efficiently to all customer requests ensuring that you maintain a 'can do' attitude at all times.
- At all times ensure that our social spaces embody the Generator brand and culture by ensuring the spaces are always clean, tidy and ready for business.
- Assist with managing deliveries including checking all deliveries, storage and stock rotation when required.
- Regularly assist with group dinner service and packed breakfast and lunches preparation for the groups and making sure their specific dietary requirements have been met..
