

## KITCHEN INTERNSHIP

REF. No. 1091

### About us

Founded in 2010, the hostel is situated in the heart of the city. Guests have the pleasure of staying in a building typical of the Modernist period, which still maintains its distinctive style and character today. During the last two years, the hostel has seen a significant growth and we are now able to accommodate up to 270 guests over 6 floors. We pride ourselves on being a friendly and supportive team, open to students from all over the world (EU-nationals as non-EU nationals as well). Our main focus is to ensure that guests feel at home during their stay. The hostel offers comfort, fun, tranquillity and security in one of the best areas of Barcelona. We strive to offer our guests more than just a bed by organising different daily, weekly and monthly events in the hostel (concerts, photography exhibitions etc.).
